# Press Release

## **Adaptive Ski Clinic with Chris Devlin Young**

Athletes and Volunteers interested in Adaptive Skiing are invited.

**Whitefish, MT December 27, 2015:** Chris Devlin Young, who has deep family roots in Columbia Falls and astounding Career Stats with 159 wins, will be at Whitefish Mountain Resort with DREAM Adaptive Recreation to hold a clinic for adaptive skiers and volunteers. The mission of DREAM Adaptive Recreation, INC. is to enhance the quality of life of individuals with disabilities by providing year round outdoor adaptive recreational opportunities. This event is open to the public as Chris Devlin Young wants to share his knowledge with anyone who wants to listen. At the clinic, athletes and volunteers will gain insight with lessons from a four-time Paralympic Games medalist, World Cup champion and 10 times US National Champion. Coast Guard Veteran Chris Devlin Young has proven opportunities for athletes with disabilities are unlimited. This is a once in a lifetime chance to be this close to such an accomplished athlete and gain knowledge about the adaptive world first hand.

Cheri DuBeau Carlson, the Executive Director of DREAM stated, "DREAM Adaptive Recreation is honored to have such an accomplished athlete visit Whitefish Mountain Resort to support our local program and help our athletes and volunteers develop their techniques in adaptive skiing." Several types of Adaptive equipment will be used. The Clinic will take place at Whitefish Mountain Resort on December 27<sup>th</sup> and 9 am. We will meet by the fire pit at the Base Lodge.

If you are interested in attending the event contact DREAM Adaptive Recreation at 406-862-1817 or email [info@dreamadaptive.org](mailto:info@dreamadaptive.org). This event is free and open to the public. A valid pass or day ticket is required to be on the snow with Chris Devlin Young.
